

## WE ARE RECRUITING NURSING HOME INFECTION PREVENTIONINSTS!

PLEASE JOIN AND SHARE OUR RESEARCH STUDY

To improve infection prevention control practice in nursing homes, your participation is essential. You will be asked to **complete a 20-min electronic survey** assessing your practice environment. To show our appreciation, a virtual visa gift card will be sent upon the completion of the survey.

Please share this study and information with your colleagues and friends. Your support would greatly help nursing homes to ensure safe care environment for their staff and residents. **Contact the research team for more information!**
