

WE ARE RECRUITING NURSING HOME ADMINISTRATORS!

PLEASE JOIN AND SHARE OUR RESEARCH STUDY

To improve infection prevention control practice in nursing homes, your participation is essential. You will participate in **a 45-minute virtual interview** asking organizational capacity for policy implementation. To show our appreciation, a virtual Visa gift card will be sent upon the completion of interview.

Please share this study and information with your colleagues and friends. Your support would greatly help nursing homes to ensure safe care environment for their staff and residents. **Contact the research team for more information!**
